Adult Personal Information

Required fields are indicated by a red * and have bold (darker) labels. Required fields must have an entry for you to continue on to the next screen.

Some information is already filled in based on the Family profile or the first family member profile that was entered. Please edit and correct the information so that it is right for you—the youth or adult who is enrolling in 4-H on this screen.

If you have your own email address, please enter it on this screen instead of the family one—ex: gator@gmail.com

If you don’t have a phone, enter 555.555.5555 for the phone number.

- **Youth:** official years in 4-H only count from when you were 5 or older on September 1 (the beginning of the Florida 4-H year), even if you attended club meetings at a younger age. If you are a new member, at least 5 years old on September 1, your Years in 4-H = 1.

- **Adult Volunteers:** count your years in 4-H as a leader, including this year. A new 4-H Volunteer would have Years in 4-H = 1.

- **Adults who aren’t 4-H volunteers:** Years in 4-H = 0. Alumni are asked about their years in 4-H as a youth on the next screen.

Parent/Guardian 1 is who you live with, the parent/legal guardian who should receive phone calls about your 4-H activities. For Adults, this would be your spouse or an emergency contact.

Parent/Guardian 2 may be a parent that you live with, or may be a parent who lives at a different address and has a different phone number. If this parent is your legal guardian, they might be called to pick you up if you have to leave an activity early and parent/guardian 1 is not reachable. If you only have one parent, leave these questions blank.

**Volunteer = “Yes”** if you already serving as a 4-H Volunteer, or if you are interested in becoming one. In Florida, Senior 4-H Youth ages 14-19 and Adults must submit additional Volunteer Application and/or Agreement form(s) each year to directly work with youth, on an ongoing basis, or for overnight activities. Adults who mentor Independent 4-H youth and assist them with their projects need to formally become 4-H Volunteers, if the youth is not their own child.

**Ethnicity - Hispanic?** mark “Yes” if you consider yourself part of the Hispanic culture.

**Race - mark all that apply to you.** If you are White and Black check both boxes. If you are Black and American Indian, check both.

**Grade - pick your grade.** Special Education students under 19 are entered as their age-equivalent grade (Age 5). “Not in School” is only for high-school aged students who haven’t graduated or gone on to higher education. “Special” Grade is for mentally-challenged members who are age 19 and over. Even though they are Adults by age, they are enrolled as Youth in 4-H.
