Melaleuca Mulch

- Melaleuca mulch is termite resistant.

- Use mulch around trees and shrubs to conserve water and prevent weed trimmer damage to plants.
- Keep mulch pulled away from trunks and stems.

- Remember to replenish mulch to 3” deep to prevent weeds.

Melaleuca Mulch can be purchased from the Osceola County Master Gardeners. All proceeds go directly to The Education Foundation of Osceola to provide college scholarships for youth.

Available for purchase through Osceola County Master Gardeners:
